AWARENESS WEEK

For Mental Health Awareness Week, we focused on the various emotions children experience, including joy, sadness, anger, and fear. We talked about how these feelings can show up differently for everyone, and explored healthier ways to cope with them. Through engaging activities like arts and crafts, the children coloured in their chosen emotion and noted down all the words they associated with the emotion.

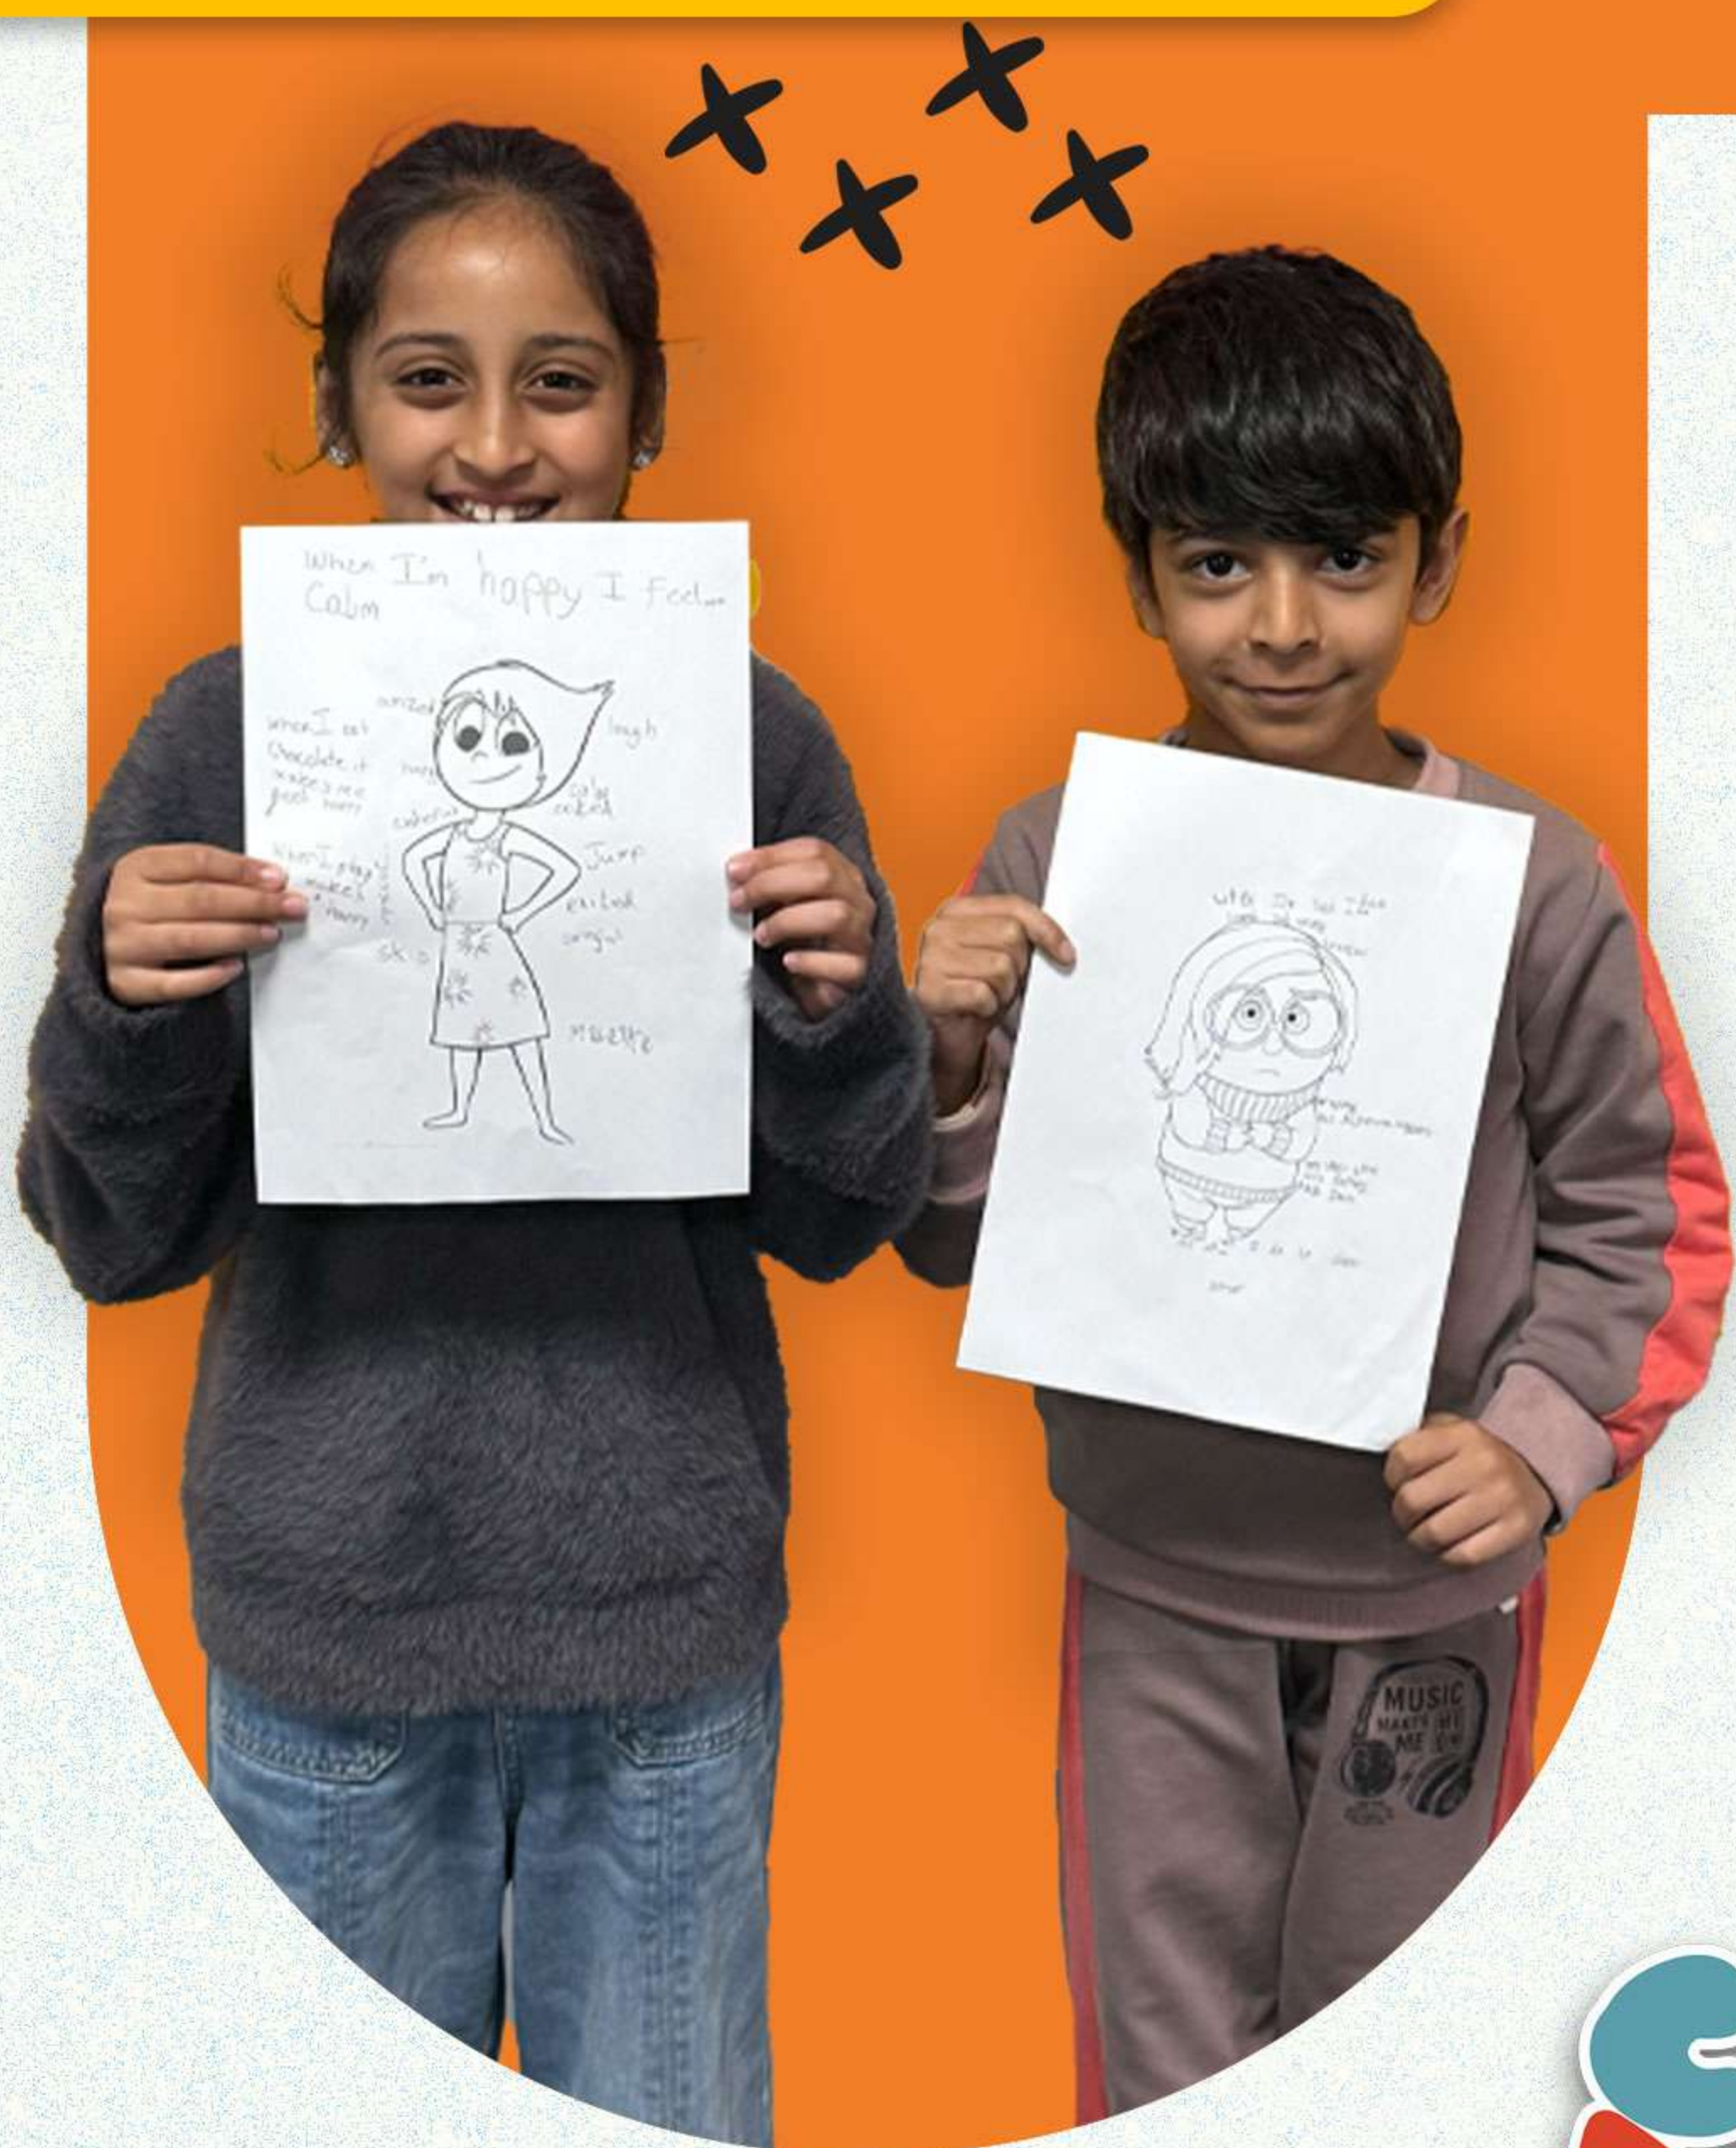

FIRST AID TRAINING

At Raising Explorers, we prioritise equipping our staff with comprehensive training and the necessary skills. We take immense pride in fostering their ongoing professional development, recognising that these dedicated individuals are the cornerstone of our organisation, nurturing and guiding the children in our care.

READING CLUB

Raising Explorers empowers children by supporting their reading development through one-to-one reading sessions in a positive and engaging environment.

SPOTLIGHT STAR

"This is **Eshaal**. When she first stepped foot into Raising Explorers, she was a little shy. But now her confidence has grown tremendously as she has blossomed into a sports star. She really enjoys playing cricket and is one of the fastest runners on the field. Eshaal states "I like coming to Raising Explorers because I play cricket with all my friends and it's so fun."

MADRASSAH MILESTONE

This month, we're incredibly proud to celebrate a special achievement in our **Madrassah**! **Five** of our lovely children have completed their **Qaidah**, marking an exciting step in their **Quranic** journey. To honour their hard work and dedication, our little stars were awarded with **certificates** and **special gift**. We're so proud of each and every one of them and can't wait to see all our children continue to shine as they grow in knowledge, faith, and confidence. Well done, superstars!

MORE ROOM TO LEARN

We're thrilled to share some exciting news Raising Explorers is growing! **Renovation** work is currently underway on two new rooms, which will soon become bright, welcoming spaces for our children to learn, explore and enjoy even more fun activities. This expansion means more room for creativity, learning, and adventure.

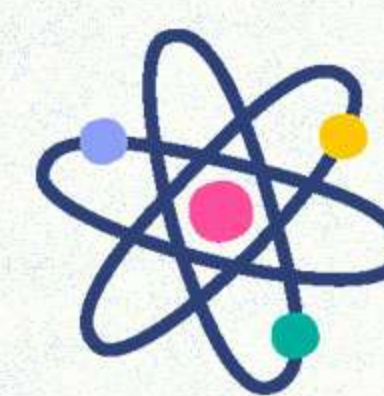

PAVEMENT MAKEOVER

If you've noticed something different on your way in — you're not imagining it! The **pavement** in front of our centre has had a fresh makeover. We've repainted the area to make drop-offs and pick-ups safer and more organised for everyone. A big thank you to all our parents and carers for your patience while the work was carried out.

COMING SOON: EID CELEBRATION!

Looking ahead to next month, we've got something special planned. An **Eid Funday** for our amazing children! Get ready for a joyful day full of laughter, fun activities, and sweet treats.

ASTRO-TURF PITCH

We're excited to unveil our brand-new **astro turf pitch**, opened on 6th May right outside our centre! This vibrant space is perfect for fun, friendship, and confidence-building through play. Huge thanks to our site manager and **FA qualified coach, Imran**, for making this dream a reality. Here's to new goals on and off the field!

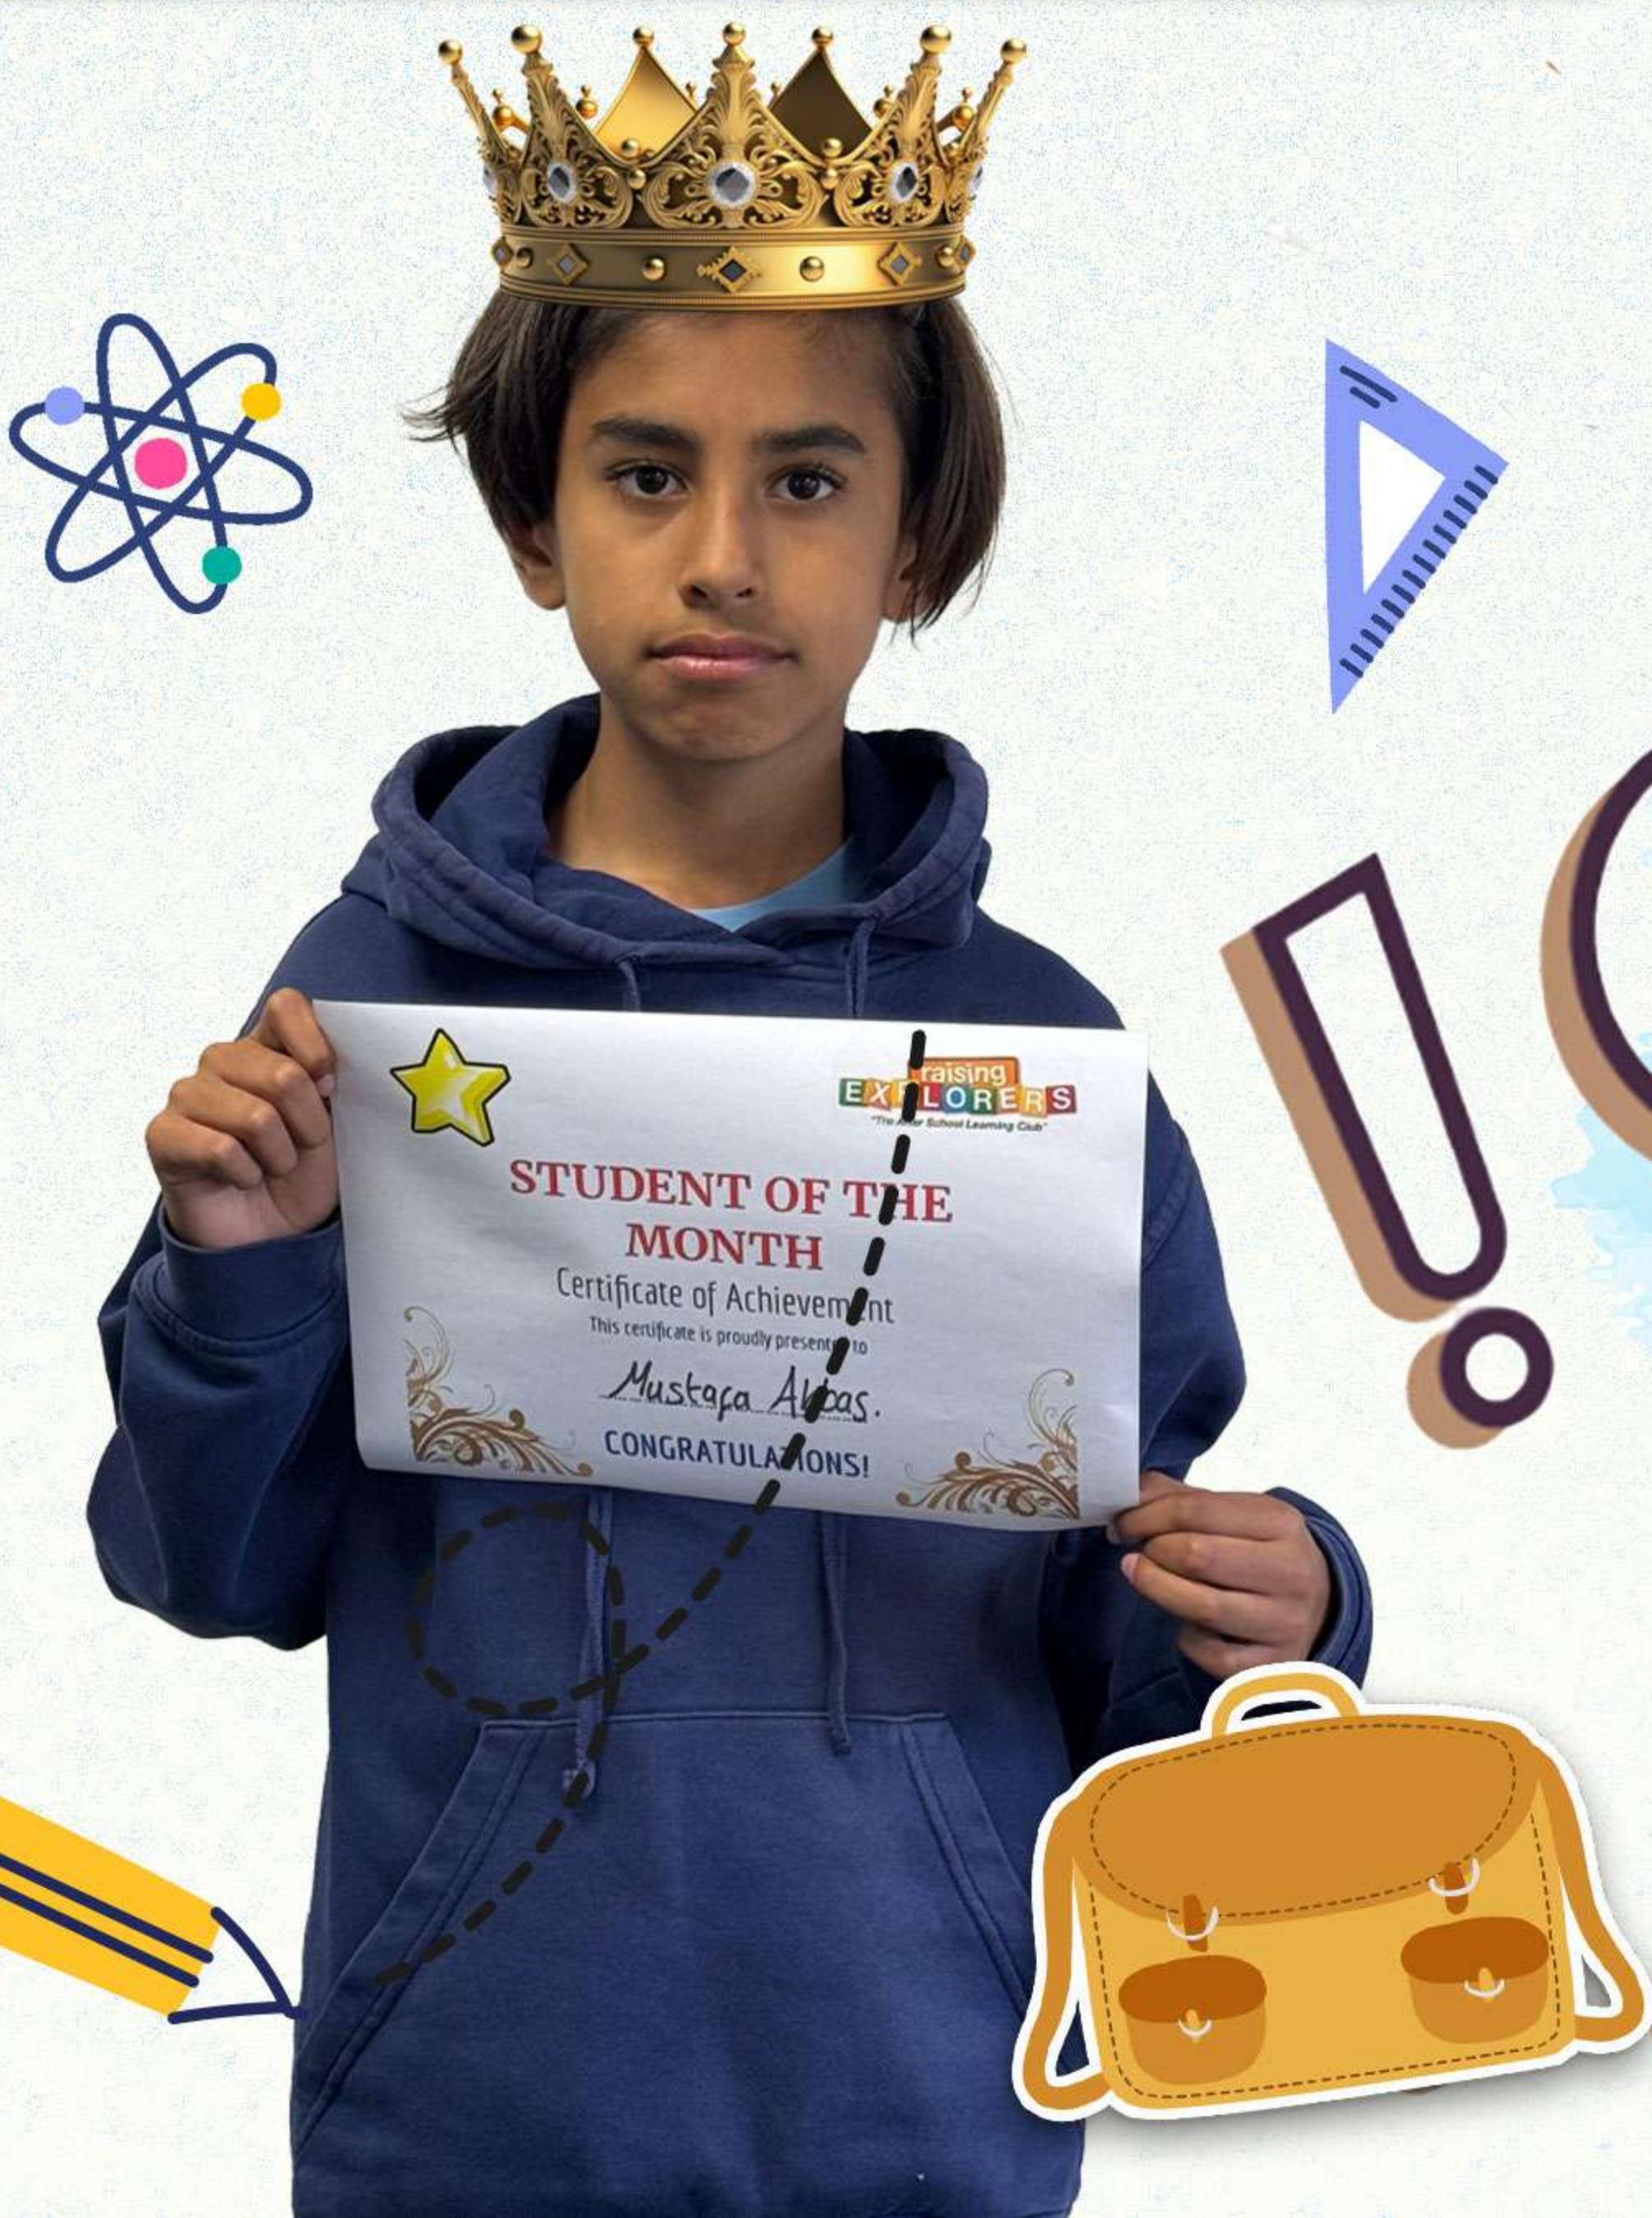

GCSE BOOSTER

As **GCSE** exam season ramps up, students face a crucial and stressful time. At Raising Explorers, our focused booster sessions boost confidence and skills by simplifying tough topics, practising exam-style questions, and teaching time management strategies to help students excel. Our supportive tutors are committed to guiding every student towards success and helping them achieve their best results.

SPOTLIGHT STAR

We're proud to shine the spotlight on **Mustafa Abbas**, who embodies kindness, calm leadership, and true character. With a warm smile and a helping hand always at the ready, Mustafa uplifts everyone around him. His gentle encouragement, respectful demeanor, and eagerness to support others create a space where everyone feels seen, heard, and valued.
