

Raising EXPLORERS

"The After School Learning Club"

June Edition 2025

NEWSLETTER

LITTLE CHAMPIONS, BIG PUNCHES:

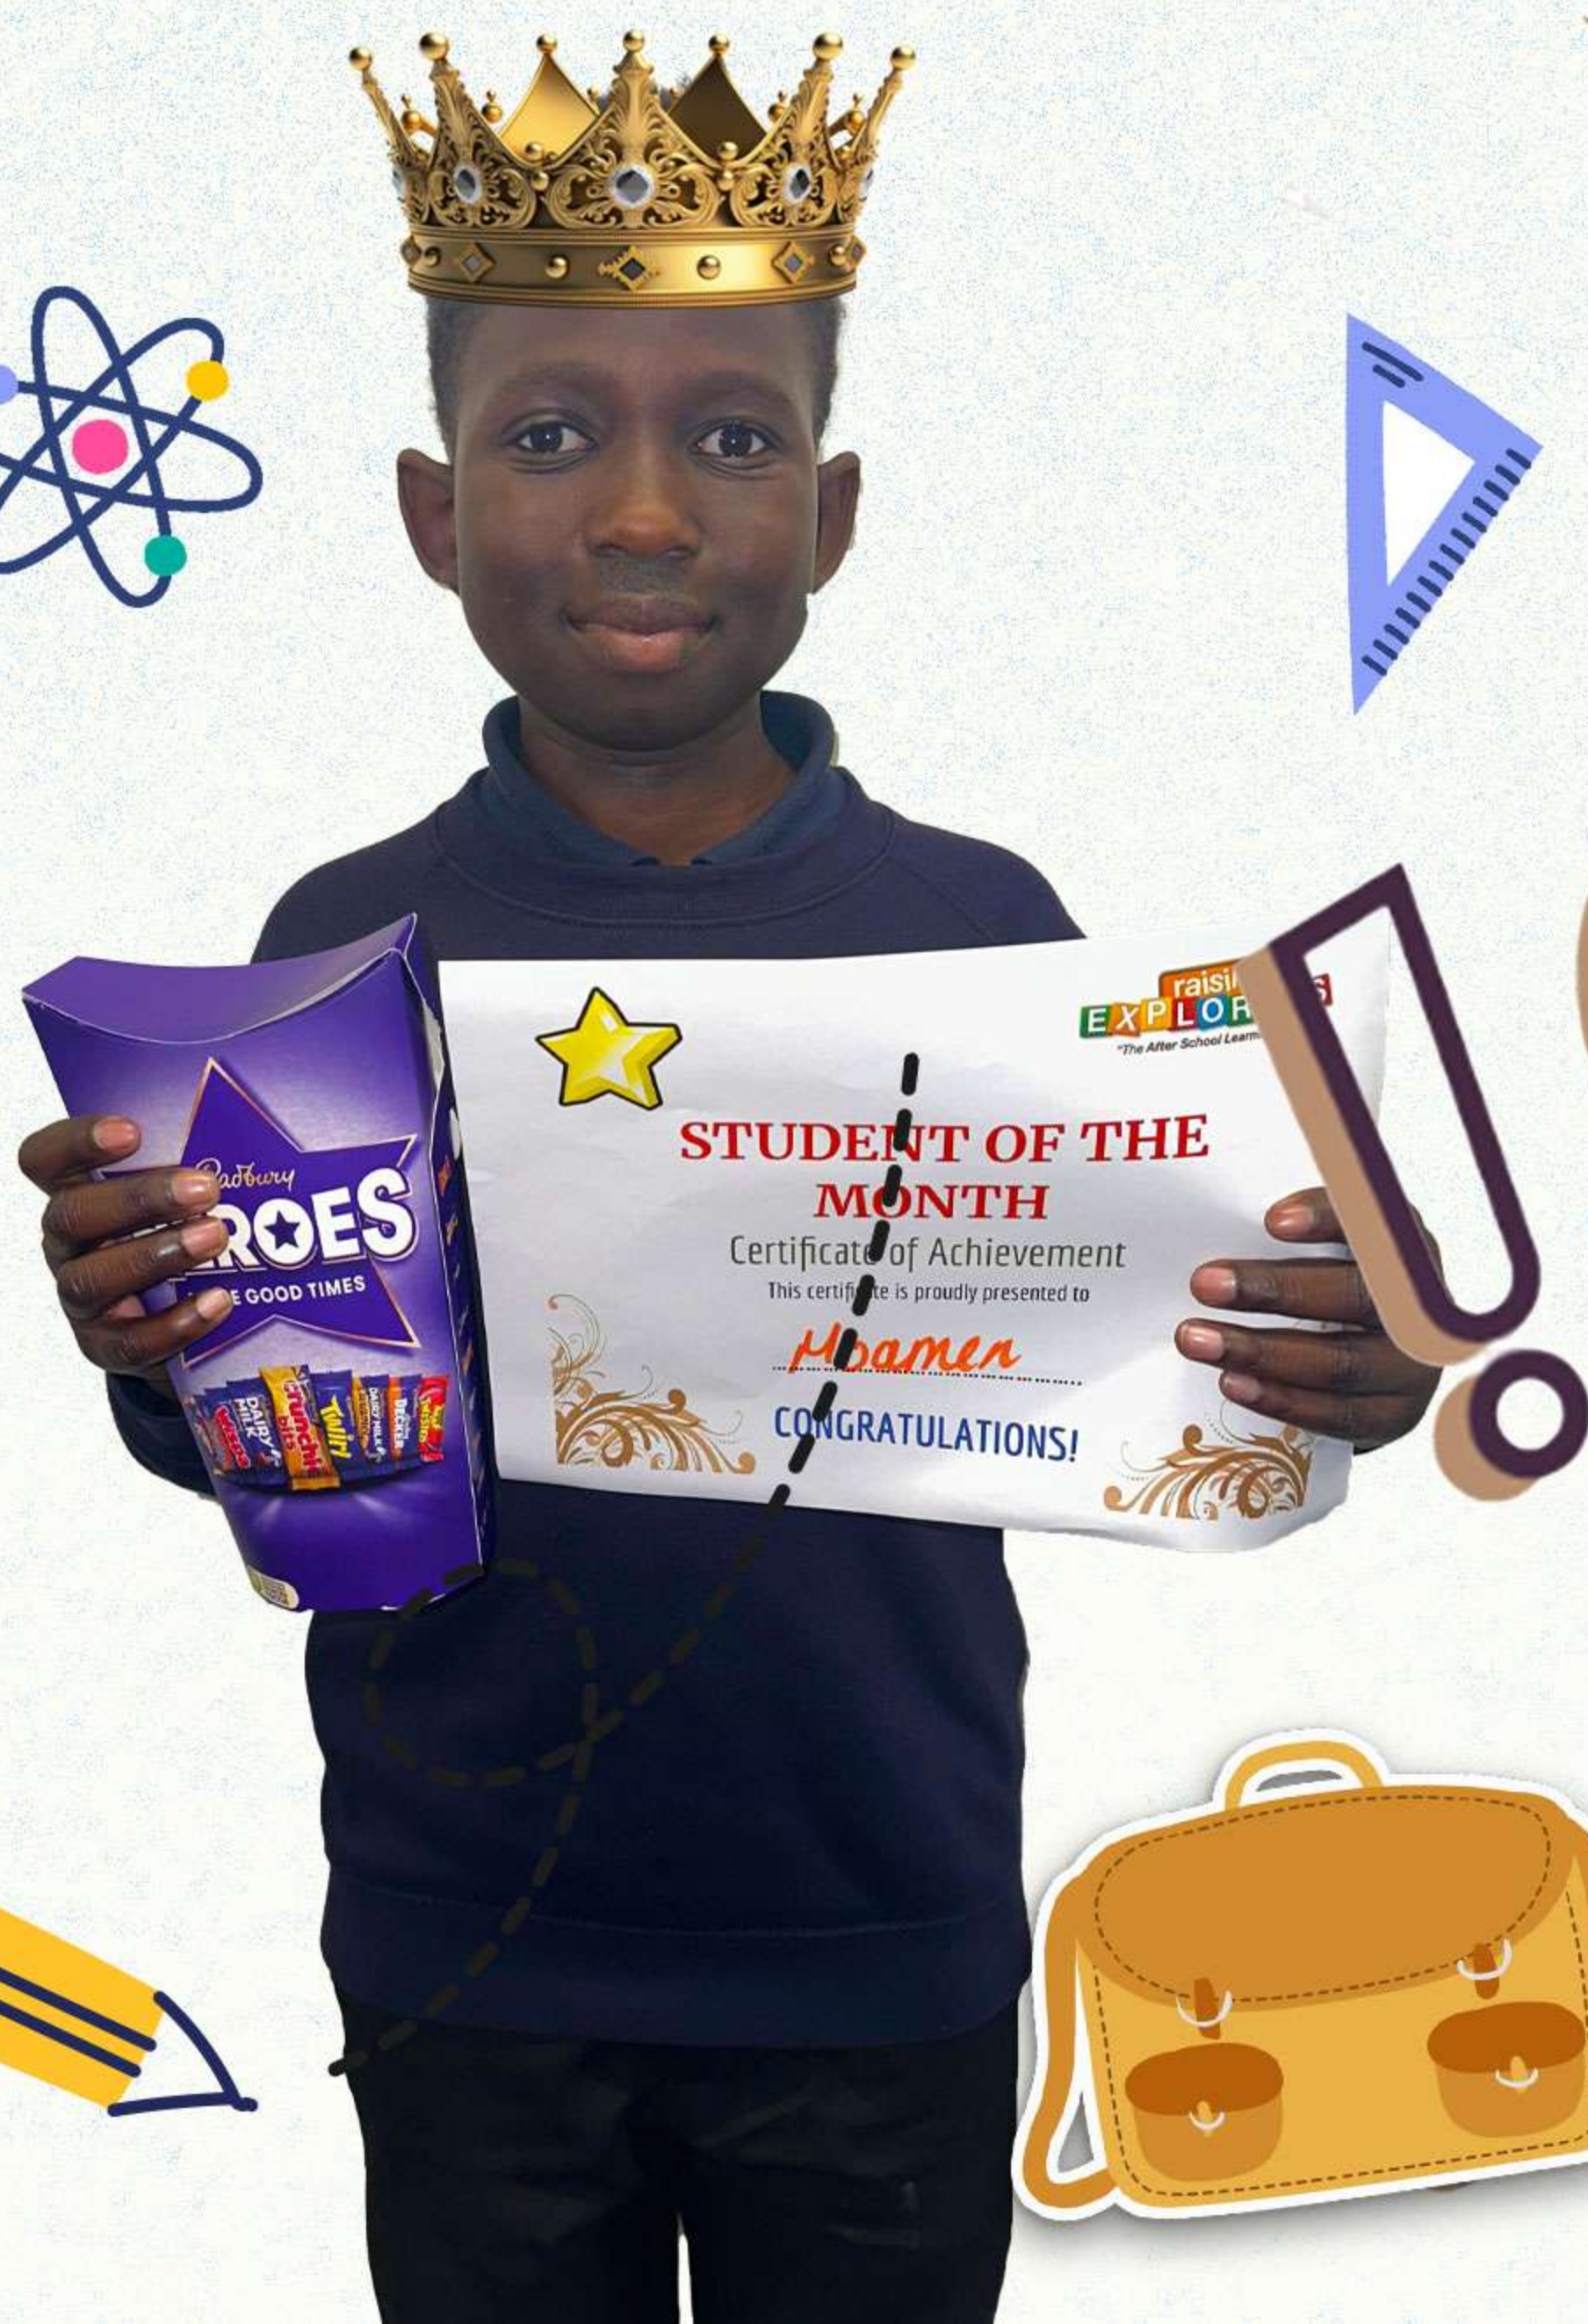

Raising Explorers turned into a **mini boxing ring** as the kids ducked, jabbed, and boxed their way through a high-energy boxercise session — complete with dramatic sound effects (mostly from the kids). In between punches and play, they got creative with arts & crafts and messy with baking (sugar highs were real). A fun-filled, action-packed week — your **little champs** were unstoppable!

TINY HAJIS AND HAJJAHS

At Raising Explorers **Madrasah Camp**, our tiny Hajis and Hajjah's embarked on a joyful journey through the rituals of **Hajj** - complete with crafts, stories, and plenty of laughs. From building mini **Ka'bahs** to learning about the inspiring story of **Prophet Ibrahim (AS)**, the kids soaked up lessons of faith, patience, and sacrifice. With every step (and every glue stick), these little pilgrims grew a little closer to the beautiful spirit of **Hajj** and gave us some unforgettable memories to treasure.

SPOTLIGHT STAR

This month's star **Moamen** at Raising Explorers shines bright — even after a full day of school! Moamen walks in every afternoon with a smile that could power the whole centre. He's **kind, respectful,** and lives out our **core values**. We're so proud of his positive attitude and the way he treats everyone around him. Keep being amazing, Moamen — you're a true explorer at heart!

MAY HOLIDAY CLUB

The **May half-term** holiday club was an absolute blast, leaving the children thrilled and fully engaged! They thoroughly enjoyed both the exciting outings and the fun in-house activities.

The adventures were plentiful, catering to all ages. The juniors had a fantastic time exerting their energy at Kid's Play, while the older children embraced some friendly competition at Laser Zone. A major highlight for everyone was the cinema trip to watch **Lilo and Stitch** the children were incredibly eager to attend!

Beyond the excursions, our dedicated playworkers organised a host of entertaining and engaging activities.

BRITISH MUSLIM AWARDS

We're incredibly proud to announce that our Raising Explorers branch in Harehills, Leeds, was honored as "**Business of the Year 2025**" at the recent **Muslim British Awards**! This prestigious award recognises our dedication to the local community through providing exceptional educational services and engaging activities.

LEEDS LS8 BRANCH

SPOTLIGHT STAR

"Jayden is a true **MVP (Most Valuable Player)** amongst his friends and peers at Raising Explorers! His charming personality and unwavering positive attitude make him a popular champion, even when the games get super competitive. It's clear why he's so valued by everyone around him!"

MAY HOLIDAY CLUB MAGIC!

Our **May Holiday Club** was full of energy, laughter, and hands-on fun! The children had an absolute blast with exciting activities planned throughout the week — but the real highlight for our older boys was a brand new local outing to **Tag X!** They tackled obstacle courses, challenges, and action-packed fun, and the feedback was unanimous: **“Can we go again?”**

The club was packed with creativity, movement, and smiles all around — and if you thought May was fun, just wait for our **Summer Holiday Club**, which promises to be even bigger, bolder, and better! Stay tuned — it's going to be one to remember.

SPOTLIGHT STAR

Our Student of the Month spotlight shines brightly on **Aiyla** this June! **Aiyla** has shown exceptional behaviour, kindness, and enthusiasm in all areas of our childcare provision.

Aiyla's progress in madrassah has also been outstanding — this month, she proudly completed **Juzz Amma** and has now begun her journey through **Surah Baqarah**. We're incredibly proud of her hard work and dedication. Keep it up, Aiyla — **you're a star!**

EID CELEBRATIONS

This month, our Raising Explorers centre came to life with colour, joy, and celebration as we hosted our **Eid al-Adha party!** Staff transformed the centre with beautiful decorations, lighting up the lobby and classrooms with festive cheer.

Our children arrived dressed in their brightest and best Eid clothes, filling the centre with excitement and joy.
