HAF EASTER LAUNCH

Here at **Raising Explorers Easter Holiday Club**, we launched our first Holiday and Food programme – offering free holiday activities and meals. What an egg-citing start! Over **two packed weeks**, we delivered a brilliant mix of activities from Easter **themed crafts**, **park visits**, **baking**, **indoor cinema**, **Easter egg hunt** and an outing to **Insane Air**.

Our **Explorers** found something to enjoy while making new friends along the way. We had a blast at our very own **Sports Day!** An **egg-cellent** adventure from start to finish!

SCREAMS, SMILES & SLIGHT REGRET!

Our **Explorers** took on **Lightwater Valley** for a day full of thrills, giggles, and just a little bit of bravery!

From gentle rides to “**why did I agree to this?**” moments, there was something for everyone. The screams were loud, but the laughter was **louder (mostly!)**.

Even our tiniest **Explorers** proved they had big courage when it counted. Plenty of snacks, smiles, and **slightly windswept** hair later, we called it a success. Safe to say, it was a rollercoaster of a day in every sense!

EASTER HOLIDAY CLUB

FUN, CREATIVITY & TREATS!

What an amazing **Easter break** it's been at **Raising Explorers**! Our Holiday Club was packed with creativity, laughter, and hands-on fun. The children loved designing their own **tote bags** and **bedazzling hairbrushes** — turning everyday items into something unique and special.

The fun didn't stop there... our young **chefs** were busy in the kitchen too! From  baking **pastries** and **garlic bread** to preparing a **Nando's-style** meal and strawberry blondies, the children explored their **creativity** through cooking. It's been a joyful, activity-filled break full of happy memories.

EASTER HOLIDAY CLUB

This **Easter holiday club** was packed with fun and many **adventures**. The children took part in a range of activities, from baking, arts and crafts, and an Easter egg hunt, to many enjoyable trips. The highlight of this holiday club was **Lightwater Valley**, where the children were bursting with excitement. From fast twists to big drops, there were plenty of **adrenaline-filled** moments that had them cheering, laughing, and eager to go again.

Our juniors also had the opportunity to go to **Web Adventure Park**, where they climbed, explored, and had an amazing time.

SPOTLIGHT STAR

Our **spotlight star** of this month is **Faris**. He is a wonderful addition to our **Raising Explorers** family and always comes in with bright smiles and a positive attitude.

He has become a great **role model** for our younger children by teaching them his top tips and tricks in sports, as well as being a **fantastic team leader**. We are thrilled to have someone like Faris in our centre. **Well done, Faris!**

ARTS AND CRAFTS

The fun doesn't stop here! At **Raising Explorers**, every Wednesday our little adventurers are going to get hands-on and take part in **Art Attack**. Each week brings new activities, giving children the chance to create, experiment, and express themselves while making **new friends** along the way. It's a brilliant opportunity to build teamwork skills, grow in confidence, and learn how to engage with others in a fun and **supportive environment**.
