March Edition 2026

NEWSLETTER

This month our **spotlight star** goes to **Ayat!** Over the past few weeks, she's really come out of her shell and has been getting involved in the **activities**. It's been great to see her confidence grow while she interacts with the staff and students. Her work during **Creative Creations** has been amazing! We're so proud of the progress she's made!

EASTER HOLIDAY CLUB

This **April holiday club**, our children will step into a world full of thrill and imagination, with exciting activities planned throughout. We've created an **action-packed** schedule to keep our explorers smiling, including trips to **bowling, Gootopia, Web Adventure Park, Light Water Valley, and Flip Out.**

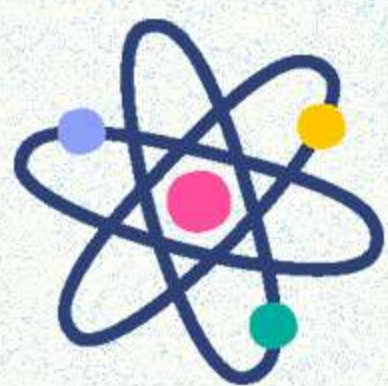

The fun continues with in-house activities, where our little chefs will bake Easter sugar cookies, cookie cups, and even make their own **pizzas** while learning **hygiene** and **cooking** skills. It's set to be an incredible experience, full of laughter, energy, and unforgettable **memories** with friends.

FUN ACTIVITIES

At **Raising Explorers**, we have many ways of entertaining our little superstars, whether that's taking part in sports activities, game zone, or baking.

Our **game zone** ensures that boredom is never an option. Among the many activities we offer, **board games** remain a **firm favourite**. Not only are they fun and exciting, but they also help our explorers develop vital social skills such as teamwork, patience, and respect. There's nothing like the **adrenaline rush** of a board game—the excitement of being in the lead and the anticipation as others catch up. We're proud to provide a wide range of board games, giving every child a chance to learn, laugh, and create **memorable** moments.

LIGHTS, CAMERA... SNACK-TION!

We're delighted to announce the grand opening of the **Cinema Room** at **Raising Explorers** – a cosy room where big imaginations meet the big screen.

It's the perfect place for our little explorers to relax, enjoy a story, and practise their best "**cinema voices**". Of course, no cinema trip would be complete without a few snacks and drinks, so our young movie fans can sit back and enjoy the full experience. Expect plenty of **giggles**, **wide-eyed wonder**, and the occasional dramatic gasp at the exciting bits. Lights down, snacks ready, and let the **adventure** begin!

SPRING IS HERE!

Spring Clean or Spring Decorate? Our Explorers Chose **Glue Over Dust**! Our Explorers have transformed the **Arts and Crafts** room into a riot of spring creations. From wobbly flowers to slightly **suspicious-looking** animals, every corner is bursting with creativity. We can't promise the room is spotless, but it definitely smells like spring and glue. These **spring-themed** activities help children explore nature, colours, and spark their imagination— all while having a **giggle**. Spring has officially **sprung** inside!

March has been bursting with imagination, celebration and special moments here at **Raising Explorers!** We had an absolutely story-sational time celebrating **World Book Day**, as our centre transformed into a **magical world of fairytales** and adventure. It was a joy to see their love for reading shine through in such a **fun** and **unforgettable** way.

A NIGHT TO REMEMBER (NIGHT OF NOOR)

We were honoured to partner with **Human Appeal** for the beautiful “**Night of Noor**” Iftar event this month. It was a truly special evening filled with peaceful **Qur'an recitation**, a powerful story and poem, and a warm sense of community.

Families came together to break their **fast**, **pray**, and share a **delicious meal** in an atmosphere of unity and reflection. A perfect reminder of the beauty of **Ramadan** — and we loved being part of it.
